

Children's Lighthouse Centers Curriculum

After extensive research, the Children's Lighthouse Centers elected to provide its children with a curriculum that is based on the A Beka Book materials.

A Beka provides the most comprehensive educational materials for young children. The A Beka curriculum helps establish good habits and routines which have proven to reduce inappropriate behavior and ensure a foundation for lifelong learning. A Beka is an age appropriate, workbook-based curriculum for children beginning at age two.

A Beka is regularly updated and is based on more than 50 years of research and studies that verify its lifelong benefits to the children it serves.

The Children's Lighthouse Centers website, <http://www.ChildrensLighthouse.com>, offers parents an extensive description of educational curriculum which will be used with each age group..

Children's Lighthouse Centers curriculum coordinators oversee all teachers' lesson plans to ensure each class is learning the most effective way possible while having fun!

More detailed information is available through A Beka more at www.ABeka.com.
