

Children's Lighthouse Learning Center Franchising Fact Sheet

- In the 14 years since it's founding, Children's Lighthouse Learning Centers has grown from a concept to nine corporate owned centers and 15 franchise centers owned by entrepreneurial small business professionals.
- The concept of a childcare corporation operating and experiencing the day-to-day issues of childcare makes Children's Lighthouse Learning Centers a unique childcare provider. They not only know first-hand the services that its customers desire, but they also know what a franchise center owner requires to be successful.
- Children's Lighthouse is one of the fastest growing, most respected, childcare and learning organizations in the nation with 24 operating centers and another eleven in the development stage scattered around the country.
- The demand for affordable childcare with a strong educational component is increasing as current national and international conditions put pressure on mothers and fathers of young families to both work outside the home.
- Children's Lighthouse, started by the Fort Worth Brown family, brings each franchisee into their childcare business family. They offer each center operator all the tools necessary to run every class from infant to after-school.
- Children's Lighthouse conducts demographic studies to determine the demand, location and features that will ensure the success of a center.
- Children's Lighthouse offers turn-key help to its franchisee from blueprints for a 10,000-square foot center that uses floor space effectively for age appropriate classes conducive to both fun activities and learning times using the renowned ABeka Book Curriculum.
- Children's Lighthouse Learning Centers offer assistance with financing for new centers through a long-standing relationship with the federal Small Business Administration and other financial institutions.

- A Children's Lighthouse franchise is an attractive opportunity to business professionals who are tired of the ups and downs of the corporate world and who are searching for opportunities to use their skills as a small business owner.
- Children's Lighthouse is the only childcare company to offer through its CenterConnect software an electronic resource to effectively manage a center from a pre-opening checklist to an enrollment tracking system.
- Children's Lighthouse web address is: <http://www.Children'slighthouse.com>.
